

SW263WA01 sealed cabinet simulations

Level, dB

Simulations using 0.3 ohm external (wire) resistance, minimal cabinet damping, minimal cabinet leaks

Updated March 28, 2015

SW263WA01 vented cabinet simulations

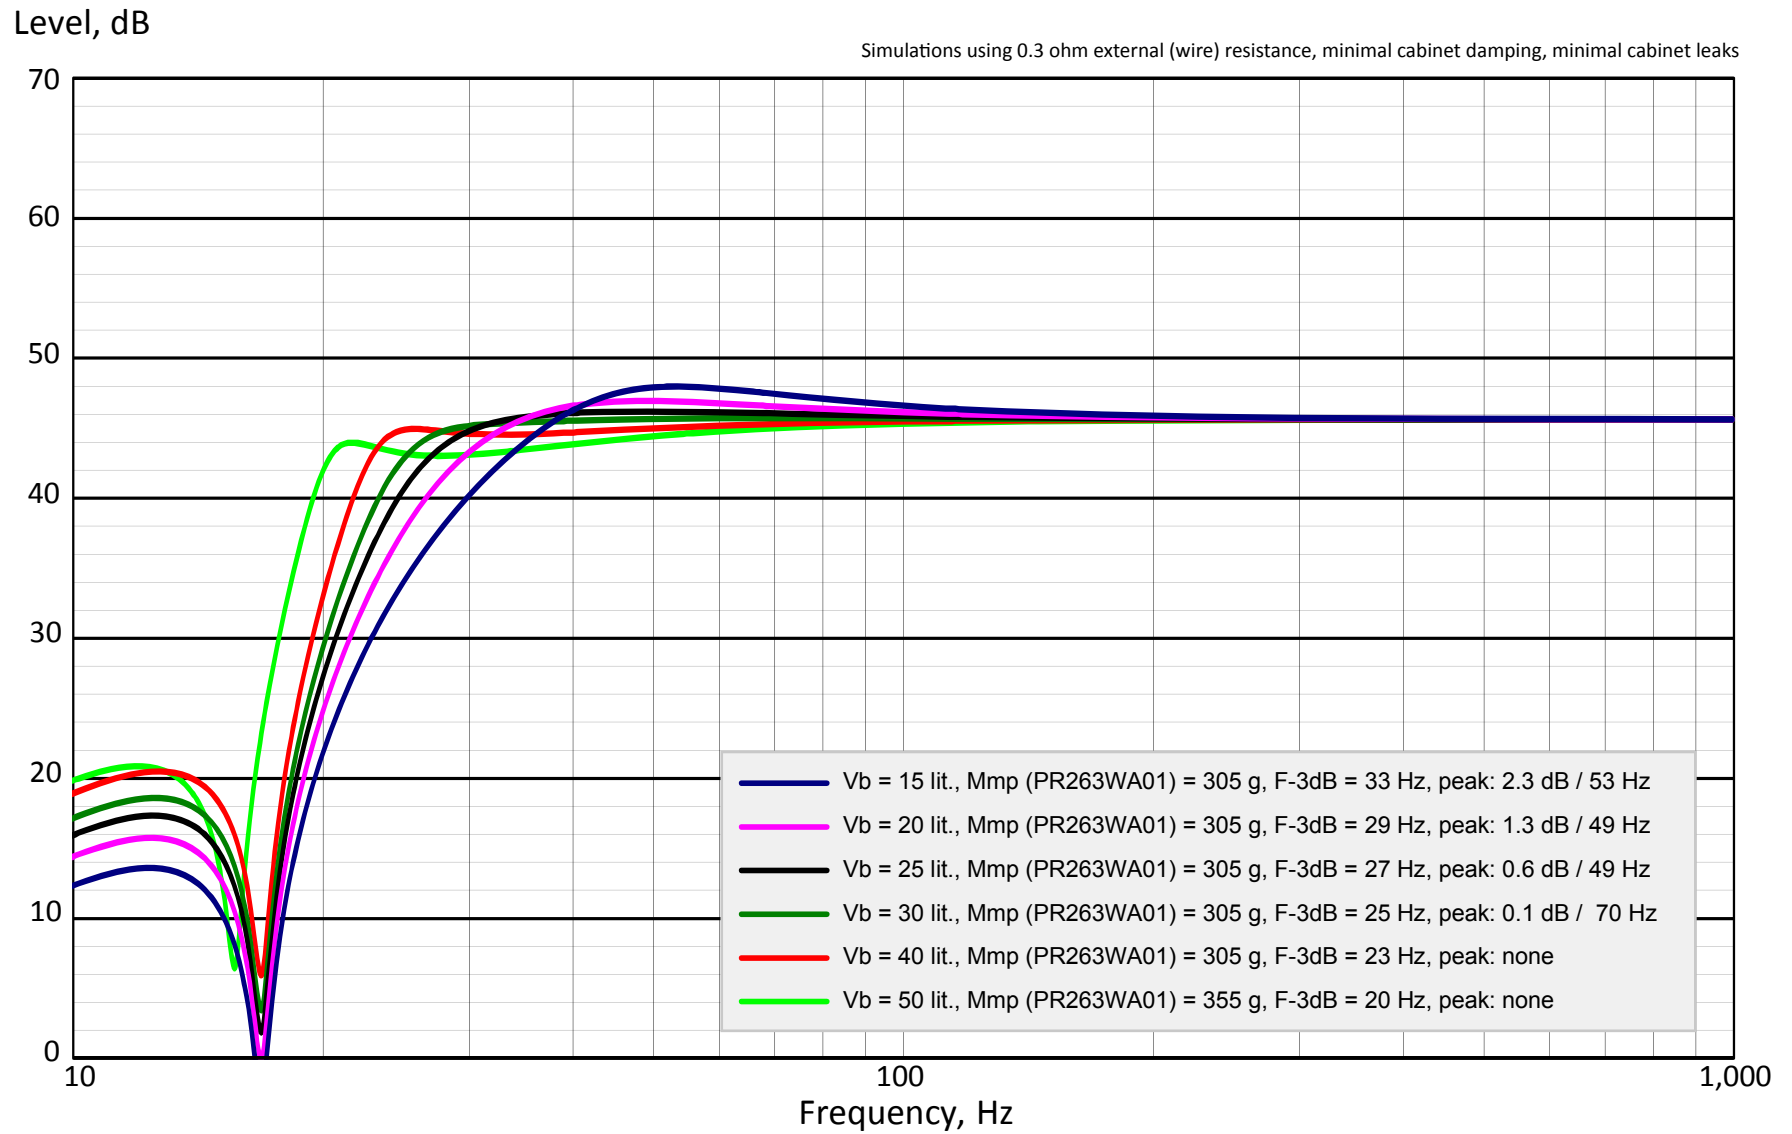

Level, dB

Simulations using 0.3 ohm external (wire) resistance, minimal cabinet damping, minimal cabinet leaks

Updated December 24, 2013

1 x SW263WA01 passive radiator simulations using 1 x PR263WA01

Updated December 26, 2013

1 x SW263WA01 passive radiator simulations using 2 x PR263WA01

Level, dB

Simulations using 0.3 ohm external (wire) resistance, minimal cabinet damping, minimal cabinet leaks

Updated December 26, 2013
